

SHOW SANCTION APPLICATION  
The Miniature Goat Registry  
PO Box 310  
Ione, CA 95640

Dear Show Chairman and Secretary,

Thank you for hosting a TMGR Official Dairy Goat Show. Below is the TMGR Show Sanction Application Form. The following information may be helpful.

Make sure you include the Judge's complete mailing address. We will be sending him/her copies of the Show Rules, Fault Matrix, and Judge's Information before the show.

If this is your group's first TMGR Show, you may qualify for a fee waiver. Don't forget to ask the Show Chairman about this possibility.

We offer Rosette and Non-Rosette options: Sanction Fees differ based on those options but BIS and BU Rosettes are always added at an additional charge.

You may make payment to TMGR either through Paypal or by sending a check with your application form.

Read the Show Rules carefully. Show Reports must be filled out completely and signed properly by the Show Secretary and show officials in order that the animals receive the legs they have earned. Missing signatures, data, tattoo information, etc. may cause an animal to lose the leg it was entitled to. Do not be the cause of a technical disqualification. Take the time to make sure everything is complete at the time of the show.

Only completed registration papers are acceptable for show entry. Applications or copies thereof are NOT acceptable. Rush copies of registration papers (not applications) are available from the Registrar for a fee and are acceptable if coming directly from the Registrar.

Animals may be shown on MDGA registrations, however, legs will not be awarded to animals not registered with TMGR within 10 days of winning the sanction.

NOTE: TMGR does NOT register Nigerian Dwarf Goats. Therefore, Nigerian Dwarf Goats may NOT compete in All Other Mini (AOM) classes.

If you have any other questions about TMGR Shows or Show Sanctions, please feel free to contact me.

Have a great show,

Paula Terrell  
TMGR Show Committee Chairman
