BUCK COLLECTION REPORT

This form is required for all semen collections and should be sent to TMGR within ten days from the date of collection. Offspring resulting from the use of such semen will not be registered if this form is not on file with The Miniature Goat Registry.

- ✓ The original registration certificate of the buck must be presented for tattoo or microchip identification verification to the processor.
- ✓ The processor must read the tattoo or tag on the buck to ensure that the animal being collected is properly identified, then sign below that the buck's tattoos or microchip matches the numbers on the registration papers.
- ✓ The person paying for the collection and owning the resulting semen straws is responsible for the completion and submission of this form.
- ✓ The processor is responsible for accuracy of the number of semen units.

Buck Owner: _____ Address: _____ Phone: _____

Semen Processor: _____ Address: _____ Phone: _____

Buck's Registered Name	Registration Number	Tattoo/Chip on Buck	Tattoo/Chip on Papers	Buck Code	# of Straws
